Golden Door Charter School  
Parent/Guardian Memo  
From: Brian Stiles  
Date: January 11, 2012  
**Subject: 14-Year Charter Renewal**

---

Dear Parents/Guardians,

As you may be aware, the New Jersey Department of Education and charter school law requires all existing charter schools to renew their approved charter every five years. We are currently going through this process for the third time. The process of preparing for our 14-Year Charter Renewal includes a detailed renewal application which was prepared and submitted to the New Jersey Department of Education on October 17, 2011 as well as a one-day school site visit by a team comprised of various members of the Department of Education. This one-day school site visit is scheduled for **Friday, January 27, 2012**.

As part of this on-site visit, the Department of Education team will conduct a “parent group interview.” I would like to extend an invitation to any parents or guardians who would like to be part of this interview. If you would like to participate, please notify me as soon as possible via e-mail at [bstiles@goldendoorschool.org](mailto:bstiles@goldendoorschool.org) or by phone at 1-201-795-4400, ext. 3425.

Given all of the great accomplishments we have made since the last charter renewal in 2006, we are excited to welcome the Department of Education to our new school building and to share with them all of the wonderful things that take place at our school on a daily basis.
