

## Golden Door Charter School Spelling Bee 2018-19

We are excited to announce that Golden Door will participate in The 59<sup>th</sup> Annual Hudson County Spelling Bee! We will hold two spelling bees to determine the winner that will represent Golden Door at the Hudson County Bee. The first spelling bee will take place in the student's homeroom where students will compete with their homeroom peers. The two top spellers from each homeroom will then compete in the all school spelling bee. The winner from the all school spelling bee will move on to compete in the Hudson County Spelling Bee. The spelling bee is open to students in kindergarten to 8<sup>th</sup> grade.

Thursday 11/15/18 – Classroom Spelling Bees

Tuesday 12/18/18 – Golden Door will hold the all school spelling bee to determine the student who will move on to the Hudson County Bee. Students will compete by grade span. Students in K-2, 3-5 and 6-8 will compete. One winner from each grade span will compete for the final winner.

One student will represent Golden Door at the Hudson County Bee! (Date and location to be determined)

The Hudson County winner will then compete at The 2019 Scripps National Spelling Bee.

Best of luck to all of our students!

Thank you,  
Golden Door Spelling Bee Committee
