

Harassment, Intimidation and Bullying Assessment Score

Golden Door Charter School received a 73/78!

A provision in the New Jersey's Anti-Bullying Bill of Rights Act (N.J.S.A. 18A:17-46) required the Commissioner of Education to develop a program to grade the efforts of each public school and school district to address bullying in the school environment.

In fulfilling its statutory obligation, the Department of Education (DOE) created a self-assessment form that each school completed to measure how well it met the requirements of the Anti-Bullying Bill of Rights Act. The self-assessment form is attached.

The New Jersey Department of Education has posted school and district grades as determined by a Self-Assessment released by the Commissioner in December. Schools were provided with a rubric to rate their performance in eight categories, including programs to prevent harassment, intimidation and bullying; staff training; student curriculum and instruction; proper staffing; and reporting and investigation procedures. Each school's grade is a raw score from a minimum of 0 to a maximum of 78. The school district's grade is an average of the total scores of all schools in the school district. It is important to note that the Department of Education-issued grade is not represented as a letter grade. For the school year 2021-2022, **Golden Door Charter School received a 73/78.**
